

ASIA SUMMER PROGRAM 2019

Hosted by Petra Christian University (PCU)

Registration Timeline

Please pay attention to the timeline below

01 April - 03 May: Students' Registration on <http://asp2019.petra.ac.id/>

07 - 09 May: Students' validation by the coordinator

Note: Please make sure that the students have filled the coordinator information correctly on "Section D - International Office Information"

10 - 15 May: Payment

Program Fee

USD 700

Facilities: airport pick-up and drop-off, accommodation, 3 meals/day on weekdays, course material, academic transcript, certificate, tool kit and t-shirt, Surabaya city tour, Mt Bromo tour.

Fee Payment

The **students** must **deposit** their registration fee **to the coordinator** at their home university.

The **coordinator** must **transfer** the registration fee **collectively** upon the confirmation.

The fee of international bank transfer is **NOT** included in the program fee.

The ASP 2019 committees **have the right to** charge the shortfall during the ASP 2019.

The students' transcript and the certificate **will NOT** be issued if the university fails to meet the payment obligation.

Courses and Credits

Students should take **2 courses (4 credits)** during the program. PCU will issue a transcript for each student showing their level of achievement. All the courses in ASP 2019 **will be taught in English**, therefore a sufficient level of English proficiency is expected for the participants.

Course Registration

Students should refer to the information about courses at the website (Registration - Section J).

It may not be possible to assign every student in his or her 1st choice due to the class requirement and its maximum number of participant. Hence, the students should **pick top 5 preferences from Group A and Group B**.

The course assignment will be made on a **first come first served** basis. Therefore, the university who has made full payment early will have the best chance for its students being assigned in their 1st choice. **The course can be canceled if it fails to meet the minimum student requirement.** Students who assigned in the canceled course will be reassigned to their next course choice.
